Manage bookmarked courses

Course is bookmarked

The screenshot shows the 'PH online' course list interface. At the top, there are navigation tabs: 'All courses', 'All Continuing Education Courses', 'My courses', and 'My Bookmarked Courses'. Below the tabs are filter options for 'Term' (set to '2020 W'), 'Curriculum' (set to 'All'), and 'Organisation' (set to 'Pädagogische Hochschule Steierm...'). A search bar is present with the placeholder text 'Filter by course number, course title or person'. A 'Filter' button is visible. The course list includes:

- INB.02233UF Foundation of Computer Science (CS) ☆ (P | 2 SH) - This course takes place at: Technische Universität Graz
- PB7.4FM13 Connecting geometry and arithmetic ☆ (SE | 1 SH) - Registration expired - View course registration details
- ENE.01001PH Introduction to Communicative Language Teaching ☆ (P | 2 SH) - Registration expired - View course registration details
- PB7.5EP01 Planning and design of transition projects ☆ (SE | 1 SH) - Registration expired - View course registration details
- GRA.03713UB A Survey of Greek Literature I ☆ (L | 2 SH) - This course takes place at: Karl-Franzens-Universität Graz
- PB5.2BS06 Ability and achievement-oriented movement methods based on artistic gymnastics ☆ (P | 1 SH) - Registration expired - View course registration details

Red arrows point from external text to specific UI elements: 'Manage bookmarked courses' points to the 'My Bookmarked Courses' tab; 'Course is bookmarked' points to a star icon next to the 'Introduction to Communicative Language Teaching' course; 'Select curriculum' points to the 'Curriculum' dropdown; and 'Filter course list' points to the 'Filter' button.

Select curriculum

Filter course list

The filter dropdown menu is shown, containing the following sections:

- Remove All Filters
- Content/Objective: At least 3 letters, Language of instruction: All
- Type: All
- Category: All
- City/District: At least 3 letters, Date from: DD.MM.YYYY, Date to: DD.MM.YYYY
- Weekday: All
- Time from: HH:MI, Time until: HH:MI
- Apply

# View courses of Education-/Continuing Education and Further Education

Separate view of Education-/Continuing Education Courses and Further Education Courses

The image displays the PH online course catalog interface. The main view shows a list of courses under the 'All Continuing Education Courses' tab. The courses listed are:

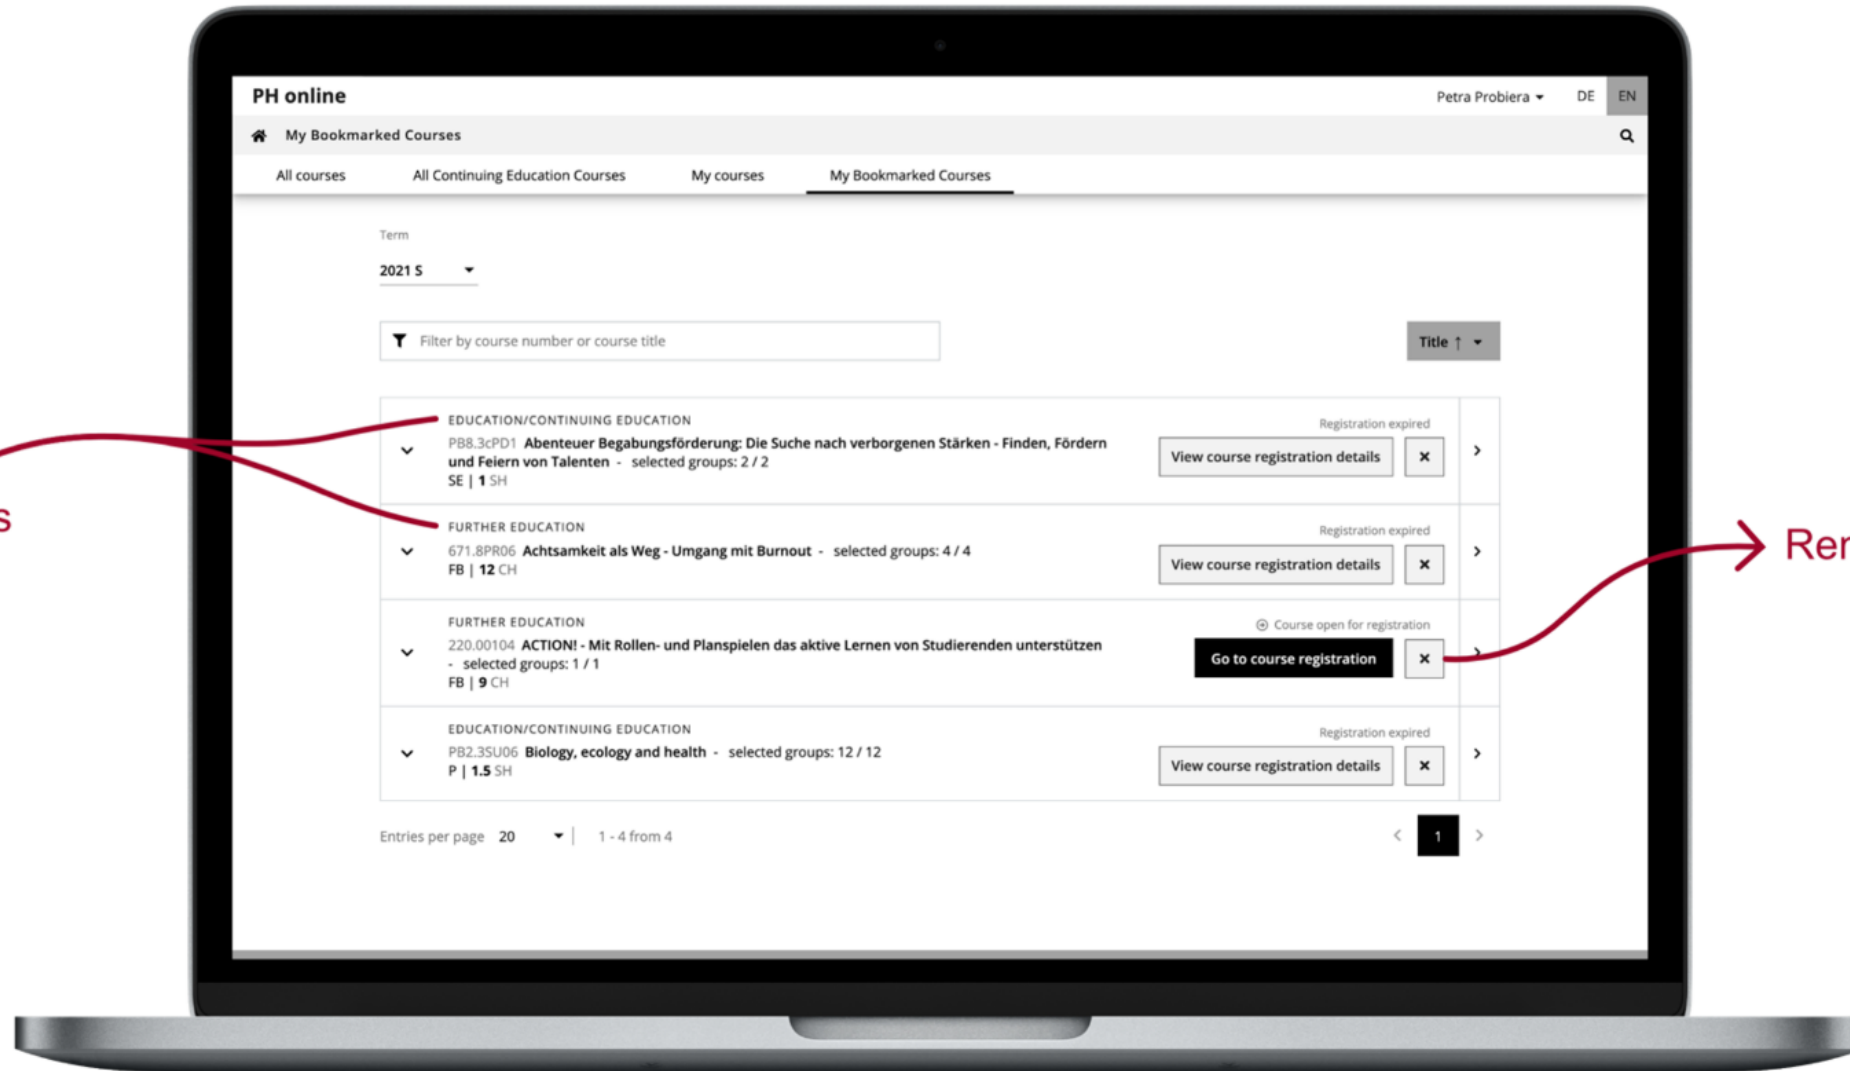

- INB.02233UF **Foundation of Computer Science (CS)** ☆  
P | 2 SH
- PB7.4FM13 **Connecting geometry and arithmetic** ☆  
SE | 1 SH  
Lecturer: Graß, Karl-Heinz
- ENE.01001PH **Introduction to Communicative Language Teaching** ☆  
P | 2 SH  
Lecturer: Haidacher-Horn, Agnes
- PB7.5EP01 **Planning and design of transition projects** ☆  
SE | 1 SH  
Lecturer: Flitsch-Fröhlich, Birgit
- GRA.03713UB **A Survey of Greek Literature I** ☆  
L | 2 SH
- PBS.2BS06 **Ability and achievement-oriented movement methods based on artistic gymnastics** ☆  
P | 1 SH

A red arrow points from the text 'Separate view of Education-/Continuing Education Courses and Further Education Courses' to the 'All Continuing Education Courses' tab. Another red arrow points from the 'View course registration details' button for the 'Connecting geometry and arithmetic' course to a detailed view of that course.

The detailed view shows the course 'Connecting geometry and arithmetic' (PB7.4FM13) for the term 2021 S. It is categorized as 'Further Education Courses' and is currently 'Registration expired'. The main lecturer is Preiner, Bernd, and the lecturer is Falkenberg, Bibiana. The course is offered at Technische Universität Graz. A 'Go to course registration' button is visible.
